

Hey squad!

This is for now the list of upcoming events that we potentially can go to — or where we already have people signed up.

Jiu Jitsu is a combat sport and there is a lot of benefit from competing in terms of evolution, confidence, and knowledge.

If you have never competed before, maybe you'd like to check out this list. Ask your coaches if you are ready and start signing in.

BJJ & Grappling Events Calendar 2026
